&lt;p&gt;How I automated Sports Betting on Bet365 and Williamhill BotDev &#183;

Follow 3 min read &#183;&lt;/p&gt;

&lt;p&gt;Apr 17, 2024 -- £ 4 Listen Share&lt;/p&gt;

&lt;p&gt;Sports betting is a type of gambling that refers to the&lt;/p&gt;

&lt;p&gt;activity of placing a wager on the £ outcome of a sporting event. The

sports betting and&lt;/p&gt;

&lt;p&gt;lottery market size worldwide was over 200 billion U.S. dollars in £

2024. (Check the&lt;/p&gt;) Tj T\* BT /F1 12 Tf 50 580 Td (&lt;p&gt; latest report here)&lt;/p&gt;

&lt;p&gt;Millions of people are spending their money for earning or for just&lt;/p&gt;

/p&gt;

&lt;p&gt;fun every day.&lt;/p&gt;

&lt;p&gt;As £ a senior developer with vast experience in web automation, I have

&lt;/p&gt;

&lt;p&gt;worked on several projects related to sports betting automation.&lt;/p&gt;

&gt;

&lt;p&gt;Web £ automation could&lt;/p&gt;

&lt;p&gt;bring a huge value in many fields, let alone betting.&lt;/p&gt;

&lt;p&gt;The first bot I made an&lt;/p&gt;

&lt;p&gt;auto-cashout bot. It £ monitors all bet slips and clicks on the casho

ut button (you give&lt;/p&gt;) Tj T\* BT /F1 12 Tf 50 392 Td (&lt;p&gt; up the potential profi

to the predefined&lt;/p&gt;

&lt;p&gt;rule. Yes, you are right, it is the stop profit or stop loss rule £ a

s in the financial&lt;/p&gt;

&lt;p&gt;market.&lt;/p&gt;

&lt;p&gt;The second bot was an arbitrage betting bot that aims to profit from th

e gap of&lt;/p&gt;

&lt;p&gt;£ odd values on two bookmakers. ( Bet365 and Williamhill in my case)&

lt;/p&gt;

&lt;p&gt;Arbitrage sounds&lt;/p&gt;

&lt;p&gt;wonderful, right? It means a money-printer that £ makes a profit in a

ny case. Because&lt;/p&gt;

&lt;p&gt;there are dozens of bookmakers, the odd values for the same event diff

er £ from one to&lt;/p&gt;

&lt;p&gt;another, especially for live betting.&lt;/p&gt;

&lt;p&gt;This second bot was not easy to implement.&lt;/p&gt;

&lt;p&gt;It has&lt;/p&gt;

&lt;p&gt;to identify the arbitrage £ opportunity.&lt;/p&gt;

&lt;p&gt;The bot has to scan all events of the&lt;/p&gt;

&lt;p&gt;interesting sports realtime on two bookmakers and identify where the a

rbitrage £ exists.&lt;/p&gt;

&lt;p&gt;In my case, I was only interested in football, I built this part mysel

f. But if you&lt;/p&gt;

&lt;p&gt;need this £ for all sports this is quite a sophisticated part that ne

eds a bunch of&lt;/p&gt;

&lt;p&gt;scraping threads. To simplify this step, £ you can consider the third

-party service&lt;/p&gt;
