Wild West Duels: Slot Overview

Hey players, get ready to saddle up for a *wait* actually, there's been so much saddling going on courtesy of all these Western-themed slots, we might start chafing in the crotch area soon. Why don't we make the journey on foot this time? However you choose to venture forth, today's destination is Wild West Duels, an online slot from the prodigious Pragmatic Play team. Now, being prodigious doesn't always mean being original - Wild West Duels is a classic example of 'borrowing' others' ideas. We won't give the name of the prior game up just yet, but if you're willing to risk a bit of saddle sore, players familiar with Western-themed slots should be able to pick it pretty soon.

Wild West Duels' setting is none other than a dusty frontier town that looks like it might have been abandoned a while ago. Perhaps the local mine tapped out, or the train barons refused to build a stop here or anywhere; number of things that would lead to a town's demise. Then again, perhaps the population are too scared to venture forth onto the streets for fear of banditry? Whatever the case, Wild West Duels' town feels kinda desolate, its streets filled with tumbleweeds, dust, and a couple of cacti. A twangy soundtrack has been supplied to fill the audio side of the bargain, which is pretty darn good, though also a little spoiled by the xylophone-like sounds for win count-ups. It's good, audio-visually, but nowhere near as uniquely atmospheric as the slot it's trying to be.

Wild West Duels is played on a 5x5 game grid, where 15 lines cross the gaming area for landing winning combinations on. That'll happen when three or more of a kind hit along a line from the leftmost side over consecutive reels. Highly volatile and rather unforgiving at times, no matter how players approach the game buying bonuses or betting on individual spins, the RTP remains the same. It tops out at 96%, though two lower settings have been produced, so
