The blazer should be tailored to fit the waist and not be too tight or too loose. The length of the blazer can vary depending on personal preference, but a classic length is at the hip or slightly below. How is a blazer supposed to fit? (woman?) Tj T* BT /F1 12 Tf 50 604 Td (à

When you're re-trying it, the shoulder should sit directly on your shoulder. And the sleeve should be a good fit. If that sleeve is hiked up, does it seem like you're chasing for a good fit? Another indicator of a good fit is the seam where your blazer's front meets the sleeve should align closely with where your torso meets your arm.
