

bonus black jack

52 Blackjack / Number of cards {k0} The object is to have a hand with a total value greater than the dealer's without going over 21. Kings, Queens, Jacks and Tens are worth 10 points; Aces are worth 1 or 11 points, depending on what is best for the hand. The dealer must hit until reaching a total of 17 or more. The player may hit, stand, double down, or surrender. The game is played with one or more decks of cards. The dealer's hand is dealt face down, and the player's hand is dealt face up. The player's hand is compared to the dealer's hand to determine the winner. If the player's hand is higher than the dealer's hand, the player wins. If the dealer's hand is higher than the player's hand, the dealer wins. If the hands are equal, it is a tie. The game is played with a standard 52-card deck.
