<p&gt;West Ham to beat Man Utd @ 29/20&lt;/p&gt; <p&gt;West Ham are on a decent run of form with four wins and&lt;/p&gt; <p&gt; &#128184; a draw from their last six games leaving them just one place e and one point below the</p&gt; <p&qt; visitors. Last weekend s &#128184; 3-0 victory over Wolves was their biggest league win of the</p&gt; <p&gt; season and they look worthy favourites for a second &#128184; success ive victory in this fixture,</p&gt; <p&gt; having beaten United 1-O at the London Stadium in May. United have fai led to score 💸 in</p&gt; <p&gt; three successive games against Bournemouth, Bayern Munich and Liverpoo I so are worth</p&gt; <p&gt; opposing in our Premier League predictions.&lt;/p&gt; <p&gt;Bournemouth to &#128184; win at Nottingham Forest @&lt;/p&gt; <p&gt; 29/20&lt;/p&gt; <p&gt;Bournemouth have turned their season around after a slow start and it i s their&lt:/p&at: <p&gt; away &#128184; form which has been most impressive. Three straight wi ns on the road at Sheffield</p&gt; <p&gt; United, Crystal Palace and Manchester United &#128184; have lifted th em to 14th and in Dominic</p&gt; <p&qt; Solanke they have one of the Premier League s in-form strikers. In contrast, 💸 Forest</p&gt; <p&gt; have only managed one point from six games and Bournemouth can add to their</p&gt; <p&gt; misery.&lt;/p&gt; <p&gt;Luton and Newcastle to draw &#128184; @ 31/10&lt;/p&gt; <p&gt;No team in the Premier League has been as&lt;/p&gt; <p&gt; reliant on their home form as Newcastle, who are averaging &#128184; over two points per game</p&gt; <p&gt; more at St James Park (2.67) than on their travels (0.63). The Magpie s have only</p&gt; <p&gt; &#128184; managed one away win at rock-bottom Sheffield United and wi th their long list of</p&gt; <p&gt; injuries, they look too short at &#128184; 62/100 for victory on Satu rday. Luton are yet to lose</p&gt; <p&gt; by more than one goal at Kenilworth Road and drew &#128184; with Live rpool before being seconds</p&gt; <p&gt; away from holding Arsenal so a draw looks good value this weekend.&lt; <p&gt;Fulham to beat&lt;/p&gt; <p&gt; Burnley &#128184; @ 4/6&lt;/p&gt; <p&gt;Burnley s defeat against Everton was the latest disappointment for a te

<p&gt; which was so impressive when romping to the &#128184; Championship ti

<p&gt; teams they have managed to beat since returning to the top flight are
