The Disc Read error is one of the more annoying bugs to deal with in Modern Warfare. It does not have a permanent fix. It usually occurs when you have a disc that is not properly seated in the drive. To fix this, you can try the following steps:

1. Make sure the disc is properly seated in the drive.
2. Clean the disc with a soft cloth.
3. Check the disc for scratches.
4. Try a different disc.
5. Check the drive for dust or debris.
6. Update the game's patch.
7. Check the game's settings.
8. Check the game's logs.
9. Check the game's files.
10. Check the game's patches.

If the error persists, you may need to contact the game's support team. Here's how: Hold the disc by the edges without touching the top or bottom surfaces. Troubleshoot issues playing the game. Refer to the game's support page for more information. The game's support page is located at [http://www.callofduty.com/support](#).
