The former Barcelona, AC Milan, and Brazil national team football player Ronaldinho Gacho has launched Bruxo10.bet, his own sports betting and online gambling site. Although the name of the site refers to "El Brujo", the nickname of the former midfielder, the platform belongs to the company Digital Ventures.  
While still awaiting an official decision from the Brazilian government on the expected regulation of the sector, the site is registered in Curaçao, although it will operate in the local market.  
In addition to sports betting, the site offers live casino games and slots from the industry's main providers, such as Pragmatic Play, evoplay, Caleta, Play'n GO, Vibra Gaming, and others. Likewise, some of the most requested games will be offered, such as Aviator, Spaceman, and Penalty Shoot-Out, among others.

To present the project, Ronaldinho held a launch event with various sports-related activities. Among them, the Brazilian star promoted the Witch10 Footballvolley Challenge, which marked the debut of the sportsbook.  
It was also highlighted that Bruxo10.bet features a Responsible Gaming and Self-Exclusion policy on its website. This measure allows players to set personal limits and have control over their time and spending on the platform.  
This is not the Brazilian superstar's first foray into the gambling industry, since, as previously reported by Yagonet, he was a Betcris ambassador for three years.
