Even though your winrate (measured in big-blinds/100 hands,) will be lower in Zoom, you can potentially make more money overall simply because Zoom allows it to play so much more hands. A regular table game is absolutely perfect for anybody who likes to put on big time volume and "grind" like me. Ecoom Pocky - The Essential Guide [2024] | BlackRain79 blackrains80 : 2024/1907: zoom essential_guide {kO} The Zoom gamesing there harder but a difference is not massive! And what they might lose in terms of game quality they certainly make up for. In fact, Of fun. However: if maximizing your winrate and moving up quickly are your goals on poker, I would suggest that the regular table game is a better bet for you!
