<p>What is Time Bank?</p>

<p>Time Bank 1. Time Bank is extra time for making a decision in a</p>

>

<p>game of 👄 poker. (Usually online).</p>

<p>Example usage It was a tough decision so we had to</p>

<p>use the time bank </p>

<p>Explanation of Time 👄 Bank</p>

<p>At some point in history, the term time</p>

<p>bank became abbreviated into tank to describe a player who is takin

g 👄 a while to make</p>

<p>a decision (regardless of whether his time bank was activated). E.g.

we shoved the</p>

<p>river and 👄 villain tanked hard before folding .</p>

<p>Although no time bank usually exists for</p>

<p>live play, there have been measures instigated in recent 👄 ti

mes to prevent players from</p>

<p>timewasting and excessive holywooding when making decisions.</p>

<p>It a player is taking too</p>

<p>long to act 👄 in a live setting, his opponents may have the o

ption to call the</p>

<p>floor(man) who will usually set a clock. 👄 Some live tournam

ents are even attempting to</p>

<p>implement time tokens where a players needs to exchange one of his tok

ens 👄 if he wishes</p>

<p>to take longer than normal to make a decision.</p>

<p>Example of Time Bank used in a sentence</p>

<p>-> 👄 Good players realise that the time bank is a valuable

tool and that we should not be</p>

<p>afraid to make 👄 use of it.</p>

<p>How to Use Time Bank as Part of Your Poker Strategy</p>

<p>For</p>

<p>online players, all are given equal time 👄 banks. We should n

ot be afraid to take our</p>

<p>time making decisions. When we face an opponent who doesn t think 

8068; as deeply, we ll</p>

<p>often have an advantage purely by making use of a free available resou

rce.</p>

<p>For live</p>

<p>players, a balance 👄 needs to be found. We should not be afra

id to take time making our</p>

<p>decisions, but we also want to 👄 be reasonable and respectful

to our opponents. Excessive</p>

<p>tanking is considered bad etiquette and even an angle shoot in some &

128068; cases.</p>

<p>On the flip</p>

<p>side of the coin, while we should be patient with tanking opponents, w

e should feel</p>

<p>comfortable calling 👄 the floor if we feel a line has been cr

ossed </p>
