

## sport e sorte

If a team is listed as +5.5 points, then your Bet will win if your team loses by 5 points; if a team is listed as -5.5 points, then your bet will win if the team loses by 6 points, then your bet will win. Handicap draw is also an option in the alternative handicap markets meaning if the game is a draw after the handicaps is applied, the team will receive a negative handicap and the other team will receive a positive handicap.
