But, before we dive into the juicy stuff, let's start with the basics. What is roulette, you ask? Well, it's a classic casino game that has been around for centuries. It's played with a spinning wheel that has numbered pockets, and players place their bets on their lucky numbers, colors, or combinations. The goal is to predict where the ball will land, and if you guess correctly, you win!

Now, let's talk about the different types of roulette games you can play online. There are two main versions: European and American. The European version has a single zero pocket and offers better odds for players, while the American version has a double zero pocket, which increases the house edge.
