The reason why RNG is so good at what it does is because of its unpredictability. It has been designed in a way that ensures each spin is entirely independent of previous spins. So, outcomes of the past have no bearing on the future.

And as it's the same for every user, slot machines are 100% fair. The Science #1 Mega Joker #128179; - 99% RTP. Highest #2...&lt;
