How to play American Roulette You decide where you think the ball will land by choosing a number or numbers from 0-36 on the Roulette wheel. Each number is either red or black except zero which is green. Placing your bet on the equivalent number on the table, the Dealer spins a ball around the revolving wheel. It eventually comes to rest in one of the compartments and that compartment holds the winning number. The Dealer will show this on the table layout by placing a marker on the winning number.
